I would like to apologize for the newsletter being so late This month. The photocopier at the R.M. was not working. Sorry for the inconvenience. Thank You. Lisa

In'CLINE'ation's "Sweet Dreams of Patsy Cline"

is a musical celebration of the life and times of the legendary Patsy Cline. Through narration and song, In'CLINE'ation revisits Patsy's life from her early beginnings to her tragic accident that took her life on March 5, 1963.

Enjoy a trip down memory lane as lead vocalist, Michelle Anseeuw brings Patsy's magical music to life with a two hour show of her best songs. In'CLINE'ation brings to you that "true Nashville sound" reliving such timeless classics as "I Fall To Pieces", "Crazy", and "Walkin' After Midnight". Michelle is backed by a first rate six piece band that includes a highly entertaining duo who recreate the harmonies of the "Jordanaires", the original vocalists that sang back up for Patsy and countless others including Elvis Presley and Jim Reeves.

Patsy Cline recorded just three albums in her lifetime, yet she remains one of the most recognized and beloved names in the history of country music. Forty ^{four} ~~one~~ years after her untimely death, millions of her recordings are still sold every year. Her song "Crazy", written by Willie Nelson, remains the #1 juke-box hit of all time.

Although she could never be replaced, it is In'CLINE'ation's sincere hope that their show will help Patsy Cline's legend live on.

Grow Project Committee Update:

Hi all,

We are fast approaching the phase we've all been waiting for on the grow project, the harvest. To keep everyone up to speed on the goings on out there. August proved to be a busier than expected month out there. The beginning of August we discovered that we were being invaded by Bertha Army worms and had to get Ken Kane aerial in to spray them. This was done on August 6th and seemed to keep them in check until the crop could be swathed. The swathing was done on August 21st & 22nd. Thanks to Garth, Darlene and Justin Jackson for donating their swather and their time to get this job done. Now the HARVEST. We are setting a tentative date of Sunday September 16th (weather permitting, of course) at 1:00 o'clock to get things underway. We sincerely hope that on one is offended with picking a Sunday to organize a work bee. We thought that if we allow a couple more weeks for farmers to get the cereal crops off, this would be a fun way for the community to take a well deserved Sunday off from the fast pace of harvest and spend an afternoon with friends from the community and take part of this venture. That being said, we are in need of combines. We would like to get about four to five combines for that afternoon which would clean off the field in three to four hours. If you have a combine that you would be willing to offer up for a few hours that day, please phone Lorne at 564-2449 or 773-6330 in the near future so we can get organized in advance. Through the afternoon we will be having hot dogs and drinks for everyone in attendance. We will be accepting donations in the field that day from those that wish to donate and haven't got around to it yet. Make sure to mark September 16th at 1:00 o'clock on your calendars, as we know that it will be a fun afternoon in the field. Bring your cameras and lawn chairs and join in on the fun. Thank-you for all the support from the IDCC GROW PROJECT COMMITTEE.

Everyone mark May 10, 2008 on your calendar. In'cline'ations are coming to the Inglis & District Community Hall. Watch for upcoming issues of the newsletter for more details. For more information on this group contact Karen Goraluk at 564-2585. See next page for a brief history of the In'cline'ation's.

Coach was talking to the newest player on the team. "It's fantastic the way you strike the line, dodge, tackle and weave through your opponents." Johnnie was a shy fellow, but blurted out, "I suppose it all come from early training, sir. You see, my mom used to take me shopping with her on sale days."
