Grow Project Update:

Well, it is finished. The grow project field is wrapped up for the 07' season. On a super sunny Sunday afternoon on the 16th of September, the grow project was harvested in about 2 ½ hours. There was action everywhere as the producers that volunteered up their machinery went straight to work to make short order of a big job. Many of these grain producers left their own work to lend a hand in this community project on one of the few good harvest days we has this season. A huge thank-you goes out to all those that offered up their services for the harvest. Those include:

Rick Keay (operated by Rees Keay) - Combine

Bert & Bernice Marshall - Combine

Tom & Laureen Fingas & Family - Combine

Willowhill Farms & Craig Fingas - Combine

Randy & Gayle Fingas; Kent & Tammy Fingas – Combine, Truck for harvest

Alvin & Gail Zimmer; Duane & Lindy Zimmer - Truck for harvest

Garth, Darlene and Justin Jackson – Truck for harvest

Derkach Transport – donated and delivered load to elevator

Wilfred & Rita Wildeman- tractor and auger

The canola crop ended up yielding about 26 bushels per acre, which is par for the course this year. The final dollar figures are not tallied yet as the crop is not all sold, but thanks to the tremendous community support we have received throughout the year, it will without a doubt be a huge success.

It truly was inspiring to see the hustle and bustle in the field and this was made extra special by the large crowd of on-lookers that gathered to enjoy the hotdogs, drinks and the company of their friends and neighbors. We will be running a thank-you in the local papers in the very near future identifying all the donators, so if you were wanting to donate and have not done so as of yet, please do.

On behalf of the IDCC, we would once again like to thank all those that donated throughout the year to support this project.

Until next time, thank-you from the grow project committee.

Just a head's up that in the next couple of months , we will be looking for volunteers to work the Bingos in Winnipeg. We will need 10 people for each bingo. If we are unable to get enough volunteers, we will lose out on the money wo when you see us asking, please consider.
