Holovaci:

My name is Mike Holovaci from Owen Sound, Ontario. I am looking for family connections in the Inglis area. My grandfather immigrated from Kuczurmare (AUSTRIA/ROMANIA) and settled near Inglis. Apparently the land records indicate that there were a few brothers named HOLOVACI that settled in the area. My wife and I are planning a summer trip for 2008 and we are specifically interested in visiting a range of land that my grandfather originally settled in. If you have any information to provide please contact me at bullmoose@sympatico.ca. I would greatly appreciate it. Mike and Kate

Attention Everyone:

Seeing next year in August we are going to have so many people coming home for the Shellmouth-Boulton homecoming. We thought maybe we should go to a little extra effort and plant a few more flowers and make our town and country yards extra nice!!!!

The Inglis and Area Business Group thought to give everyone a bit more incentive that we are going to offer a prize for the best yard in town and the best yard in the country, Something to think about. We will have more details in the New Year!

Inglis and Area Business Group

We have made lists of families who have resided and now reside in the RM. We have tried to send letters out to at least one person in each family hoping that person would spread the word to any other family members or friends who should know about the reunion. There are people that will be missed, so if you can think of someone who should be told about the reunion please let them know. You can go to our website on www.inglismanitoba.com for more info. If you have addresses or an e-mail address for someone who wants to come please contact Joanne Zimmer at zimmjoa@mts.net or 204-564-2368.
