## HISTORY BOOK ORDERS

**Orders for the book have been slow. If you haven't ordered your history book yet we would like you to do it as soon as possible. The cost of the book is determined by the number of books ordered and we have to give our publisher an estimated figure in the next week. As well we have to submit a deposit for the order and are relying on the orders to cover the deposit.**

**You can submit your order with your registration for the Homecoming or go to the publisher's website to order your copy at <http://jostensyearbooks.ca?REF=A01102720>.**

(Click "Buy Yearbook".) More registration/history book order forms are available at the RM Shellmouth-Boulton office.

**Your cooperation is greatly appreciated.**

**EVERYONE WELCOME**

The Parent Advisory Council is looking for members to sit on the board. Please contact the school or one of the current members if you are interested. This can be a parent or anyone in the community that would like to get involved in the future of our school. The next meeting is on Tuesday, May 27th at 7:00 pm.

Jump Rope for Heart is being held on Tuesday, May 6th at the Inglis School. The Grade 3-6 students will be canvassing for the Heart & Stroke Foundation.

Please remember that the speed limit is 30 km when in the school zone. We have spoken to the RCMP about this issue as we have had concerns from parents for the safety of their children. Some of our students are riding their bikes to and from school and have been reminded to follow all safety and traffic laws. So, please remember, to SLOW DOWN.

**Volunteers Needed: The Inglis Area Heritage Committee is looking for a couple of new board members as well as volunteers to help out with tours at the Inglis Elevators National Historic Site. If you are interested in either of these opportunities we would love to have you as part of our committee. Please call Marcia Rowat at 564-2396 (evenings) for more information.**

### Daycare/Nursery School

The Manitoba Government Announced this week a plan for Child-care expansions along with capital funds for more child care facilities in schools. At a time when we are looking at declining enrollments, restructuring plans, and efforts to keep our community viable, Marcia Rowat and myself are thinking that this is something worth exploring. We are inviting anyone who is interested to meet with us on Tuesday, May 6 at 7:00 pm at the Inglis School. We need to know if people support us in pursuing this initiative. This concerns the entire community, not just parents of preschool age children, so everyone is welcome. If you are unable to attend but have some input please contact us before the meeting on Tuesday. Marcia 773-4792 or Heather 564-2460.

***“Some people want it to happen, some wish it to happen, others make it happen”***

**I extend an invitation to this community and ask that you consider joining the club to help keep our recreational buildings running.** We would gladly welcome some new faces and ideas to the table. For more information, please contact Tammy Fingas at 564-2027.

***“Volunteers are not paid -- not because they are worthless, but because they are priceless”***

**Attention Everyone:**

**Seeing in August we are going to have so many people coming home for the Shellmouth-Boulton homecoming. We thought maybe we should go to a little extra effort and plant a few more flowers and make our town and country yards extra nice!!!! The Inglis and Area Business Group thought to give everyone a bit more incentive that we are going to offer a prize for the best yard in town and the best yard in the country, Something to think about.**

**Inglis and Area Business Group**

**An elderly gentleman...**

**Had serious hearing problems for a number of years. He went to the doctor and the doctor was able to have him fitted for a set of hearing aids that allowed the gentleman to hear 100% The elderly gentleman went back in a month to the doctor and the doctor said, 'Your hearing is perfect. Your family must be really pleased that you can hear again.'**  
**The gentleman replied, 'Oh, I haven't told my family yet. I just sit around and listen to the conversations. I've changed my will three times!'**
